Dear Business Friend:

You can play a critical role in improving our neighborhoods by lifting families out of poverty and strengthening our community.

At Habitat, we believe that all people deserve to live in decent, affordable housing. Poverty contributes significantly to problems that we see every day in the news – opioid abuse, gang membership, violence and anger. Children who lack decent, affordable, safe housing - who live with the insecurity of moving from rental home to rental home – are more susceptible to poverty and the spiral of harm that so often follows them into adulthood. To break this cycle, **we need partners like you.**

The good news is that we are building TWO new homes on Scott Street in Williamsport. This initiative, involving many partners, will mean homes for two area families in 2018. We have raised a lot of money to do this, but to complete the homes, **we still need to raise \$55,000.** Will you help by “buying a brick” for \$1,000? This gift will help provide a hand up - not a hand out - to qualifying families: families who are willing to help build their home, learn basic home maintenance, take charge of their financial future, and make timely mortgage and real estate tax payments.

To thank you for your gift, we will include your business name and logo in public and social media and in our highly visible ReStore location. The thousands of customers we see each year will also see your company name and know that you believe in what we are doing.

Thank you in advance for your generosity and support.

Sincerely,

Alice M. Schuster
