

Greater Lycoming **Habitat for Humanity**[®]

THE HABITAT HUDDLE FY19Q1

BE INVOLVED:

Construction Volunteer.

Each home build is a community-wide effort, calling upon neighbors to volunteer and help construct the home alongside the partner family. We're continuing construction on 1608 Scott Street, building on Wednesday and Saturday, of each week, weather permitting.

Restore Volunteer.

You don't have to lift a hammer to help! We are always seeking volunteers to help with processing donations, assisting customers and tackling administrative tasks at the ReStore.

Donate.

Through Greater Lycoming Habitat for Humanity, your tax-deductible contribution can help transform the lives of families in our community!

Hard goods can be donated for resale to our ReStore during business hours. We even pick up!

BUILDING HOMES, COMMUNITIES & HOPE

Meet our newest Partner Families!

From left to right:
The Williams Family - Ellen and two of her children, Alivia and Malachi (Haley not pictured).
The Gonzalez Family - Nicole and her two children, Isabelle and Evelyn.

The Williams Family. Ellen, a mother of three, thought homeownership was simply out of reach for her and her family. Through AmeriCorps, she became familiar with the Habitat Homeownership Program and took a chance on applying. Her family will now have a place to call their very own.

The Gonzalez Family. Nicole, along with her two daughters, are beyond ecstatic to move into their new home. After recently moving back into the area, Nicole, the proud owner of the budding cleaning business Pristine Clean, is excited to lay down roots and create a stable future for her family.

Both families are working hard to complete their 250 Sweat Equity hours and attend all required Homeownership and Financial Readiness courses. We look forward to dedicating the homes and helping the families get settled!

THANK YOU to our new Buy-A-Brick donors ...

Construction is well underway on Scott Street

Roofing is complete, interior walls are going up and siding is on site! Construction takes place every Wednesday and Saturday. Come solo or form a group, but don't miss out on this opportunity to be a part of building strength, stability and self-reliance through shelter in our community! The best part is, you don't have to know anything about construction to lend a hand. Our experienced Construction Manager and Core Volunteers will teach you everything you need to know and stay with you every step of the way. Contact Katie, our Program Director, at 570-322-2515, ext. 303 or by email katie.mccaslin@lycominghabitat.org, for more information about taking part in the home build.

Every hand makes a difference.

Thank you to all of our amazing volunteers and supporters!

Ramp up for school (or your next project) at the ReStore

Make the ReStore your first stop for affordable home furnishings and building materials! With prices starting 50% below retail, you cannot afford to miss out! Inventory changes daily so to be sure to follow us on Facebook for the latest updates!

Cleaning out a room or doing some updating? Let us help you by hauling away your gently-used, no-longer-wanted items for **free**! Call to schedule a pick up today!

Ellen, Program Assistant, 570-322-2515 ext. 304.
