

Greater Lycoming **Habitat for Humanity**[®]

THE HABITAT HUDDLE FY19Q3

Greater Lycoming Habitat for Humanity is pleased to announce that Kelsey Boyles has joined the leadership team as Program Director.

As Program Director, Kelsey will oversee the Family Services cycle from the house application process, through scheduling sweat equity hours, to house dedication and homeowner support. In addition, she will be active in community outreach and fundraising.

Boyles originally hails from Yardley, PA, and earned her undergraduate degree from Lycoming College. She loved Williamsport so much, that she decided to make it her home.

Please give her a call at 570-322-2515 Ext 303 to schedule presentations, event coordination, or to discuss how you can partner with Greater Lycoming Habitat for Humanity.

RAISING HOUSES THROUGH RAISE THE REGION

Mark your calendars and help us spread the word!

MARCH 13th 6pm – MARCH 14th 11:59pm

Please help us celebrate our 30th anniversary during the Raise the Region 30 hour fundraising event!

Raise the Region will take place between 6PM, March 13th and Midnight March 14th. Please consider supporting Greater Lycoming Habitat for Humanity in our efforts to build a world where everyone has a decent place to live. If you are interested in donating, you can bookmark and share the donation page link below:

<https://www.raisetheregion.org/organizations/greater-lycoming-habitat-for-humanity>

We will be participating in contests throughout this event and will update you in the coming weeks with specific giving times that can enhance our chances of raising more funds.

Thank you to our recent business sponsors...

Continued construction of the Scott Street duplex has been made possible by our donors and volunteers. Thank you!

Construction Progress

The plumbing, drywall and mudding are complete! We are looking for enthusiastic volunteers to help make this house a home. Construction takes place every Wednesday and Saturday. Come solo or form a group, but don't miss out on this opportunity to be a part of building strength, stability and self-reliance through shelter in our community! The best part is, you don't have to know anything about construction to lend a hand. Our experienced Construction Manager and Core Volunteers will teach you everything you need to know and stay with you every step of the way. Contact Ellen Williams, at 570-322-2515, ext. 304 or by email ellen.williams@lycominghabitat.org, for more information about taking part in the home build.

REFRESH. RENEW. RECYCLE - OPEN TO THE PUBLIC
